
Highfield Level 2 Award in HACCP for Food Manufacturing (RQF)

QUALIFICATION NUMBER: 603/2196/9

WHO REQUIRES THIS QUALIFICATION?

This qualification is aimed at those working in a food manufacturing environment. The qualification is intended for learners already working in food manufacturing and those who are preparing to work in the industry. The qualification is especially useful for those involved in maintaining HACCP in a manufacturing environment, and for those who are or will be part of a HACCP team.

WHY A HIGHFIELD QUALIFICATION?

Highfield is the leading provider of regulated compliance qualifications in the UK, certifying over 350,000 learners a year.

Highfield currently provides around 70% of all regulated food safety qualifications. We're extremely proud to be a Highfield-approved centre and offer industry-recognised qualifications that will enhance learners' career prospects.

WHAT NEXT?

Learners successfully completing this qualification may wish to progress on to further qualifications, such as:

- Highfield Level 3 Award in HACCP for Food Manufacturing
- Highfield Level 3 Award in Food Safety in Manufacturing
