## HABC Level 3 International Certificate in Close Protection

The HABC Level 3 International Certificate in Close Protection is a qualification developed by HABC, the Middle East's leading supplier of compliance-based qualifications. The qualification has been designed with sector experts specifically for international learners who wish to become close protection operatives. It has taken into account recognised best-practice principles of close protection. The qualification provides an excellent basis for international learners who may wish to undertake further security qualifications and which would also allow them to apply for a licence to work as an operative in the UK.

### How long will it take me to achieve this qualification?

The qualification will usually take a minimum of 12 days to complete at any approved HABC International centre. There are 138 contact hours required with a tutor.

### How is the qualification assessed?

There is 1 mandatory unit which is assessed through a combination of practical demonstrations and a 60 question, 2-hour multiple-choice examination. Learners must demonstrate competence in all demonstrations and achieve at least 40 correct answers in the exam to be awarded a Pass. Learners achieving 48 or more correct answers will be awarded a Merit.

### What next?

On completion of this qualification, learners may take other HABC international qualifications, such as the Level 2 International Award in CCTV Operations (Public Space Surveillance) and Level 2 International Award in Security Guarding.

### Where can this course be taken?

At all approved HABC International centres.
