Highfield Level 2 International Award in Swimming Pool Safety

Develop skills and knowledge in basic pool safety and rescue, acting in a support role at pools where suitably trained and qualified lifeguards are on duty.

Who is this qualification for?

This qualification is for those learners wishing to develop skills and knowledge in basic pool safety and rescue, acting in a support role at pools where suitably trained and qualified lifeguards are on duty.

These settings may include:

- Schools
- Swim clubs
- Hotels
- Private sports venues

It covers facility operations, basic venue and activity safety, safe rescue techniques and key incident management strategies.

Important Note: This qualification does not replace or denote a 'First Aid Qualification' or 'Lifeguard Qualification'.

How long will it take me to achieve this qualification?

This qualification is usually achieved by taking a one-day classroom-based course, which requires the learner to complete 8 guided learning hours.

How is the qualification assessed?

Part 1 of the qualification is assessed by an end of course multiple-choice examination.

Part 2 is assessed by practical demonstration using an assessment pack.

The certificate for this qualification is valid for **2 years**, after which learners will need to requalify.

Why a Highfield qualification?

Highfield is the leading provider of regulated compliance qualifications in the UK, certificating over 350,000 learners a year.

Highfield is also one of the largest awarding organisations in Middle East Asia, with a head office in Dubai.

We're extremely proud to be a Highfield approved centre and offer you international qualifications that will enhance your career prospects.

What next?

On successful completion of this qualification, learners may wish to continue their development by undertaking some of the following qualifications:

- Highfield Level 2 International Award in Pool Lifeguarding
- Highfield Level 2 International Award in Emergency First Aid at Work
- Highfield Level 3 International Award in First Aid Response

Where can this course be taken?

Through any Highfield approved training centre.
