# Highfield Level 3 International Award in HACCP (CODEX Principles)

**Improve your knowledge of Hazard Analysis Critical Control Point (CODEX Principles). Help to reduce the likelihood of customer complaints by identifying and controlling potential hazards. Protect your business, customers and yourself.**

## What is the objective of this qualification?

This qualification is intended to provide learners, who have a good understanding of food safety, with the essential practical knowledge to enable them to assist in the implementation of a HACCP system based on CODEX principles. Building on the Highfield Level 2 HACCP qualification, emphasis has been placed on understanding how to develop and implement Codex HACCP based procedures, in addition to understanding the importance of HACCP, the preliminary processes involved in developing HACCP procedures and the verification of these procedures.

This qualification is intended for those employed in the manufacturing industry or in other sectors of the food industry that require knowledge about the implementation of Codex HACCP.

## How long will it take me to achieve this qualification?

The recommended guided learner hours for this qualification are 13 hours.

## What are the tutor requirements to deliver this qualification?

Tutors must hold a relevant subject area qualification and/or experience, as well as a relevant teaching qualification and/or experience.

## How is the qualification assessed?

This qualification is assessed by multiple-choice examination, containing 30 questions, that must be completed within 60 minutes. Successful learners will have to correctly answer 18 (60%) questions or more to achieve a pass and 24 (80%) questions to achieve a distinction.

## Why a Highfield qualification?

Highfield is the leading provider of regulated compliance qualifications in the UK, certifying over 350,000 learners a year.

Established in 1982, Highfield is a global leading, regulated, awarding organisation providing internationally recognised qualifications and remote invigilation.

We're extremely proud to be a Highfield approved centre and offer you international qualifications that will enhance your career prospects.
