Level 3 Diploma for Hospitality Supervisors (RQF)

Introduction

This qualification specification is designed to outline all you need to know to offer this qualification at your centre. If you have any further questions, please contact your account manager.

Qualification regulation and support

The Highfield Level 3 Diploma for Hospitality Supervisors (RQF) is awarded by Highfield Qualifications and sits on the Regulated Qualifications Framework (RQF). The RQF is an English qualification framework regulated by Ofqual. It is also suitable for delivery in Wales and is regulated by Qualifications Wales.

Key facts

Qualification number:	603/3016/8
Learning aim reference:	60330168
Credit value:	37
Assessment method:	Portfolio of evidence
Guided learning hours (GLH):	270
Total qualification time (TQT):	370

Qualification overview and objective

The Level 3 Diploma for Hospitality Supervisors (RQF) has been designed to map to the knowledge and skills of the Hospitality Supervisor Apprenticeship Standard. The standard is available below:

https://www.gov.uk/government/publications/apprenticeship-standard-hospitality-supervisor

The qualification allows learners to broaden their existing knowledge and gain important supervisory and management skills, helping them to take on more responsibility.

The objective of this qualification is to support a role in the workplace, giving learners employed in hospitality roles the opportunity to learn and evidence their knowledge and competency either as part of an apprenticeship or as a stand-alone qualification.

There are 7 pathways available to learners for this qualification (of which **1** must be selected), including:

- food and beverage supervisor
- bar supervisor
- housekeeping supervisor
- concierge supervisor
- front office supervisor
- events supervisor
- hospitality outlet supervisor

For more information on how this qualification maps to the hospitality supervisor standards, please see the hospitality supervisor mapping document available in the download section in the members' area of the Highfield Qualifications website.

Entry requirements

It is advised that learners have a level 2 in English and numeracy before enrolling on to this course.

This qualification is approved for delivery to learners aged 16+.

Please see 'Guidance on Delivery' section for information regarding the restriction of learners aged under 18 selecting units concerned with serving alcoholic beverages.

Centre requirements

There are no specific requirements for the centre as long as each learner's workplace is suitably equipped for the chosen units to be delivered and assessed.

Guidance on delivery

The total qualification time for this qualification is 370 hours and of this 270 hours are recommended as guided learning hours.

TQT is an estimate of the total number of hours it would take an average learner to achieve and demonstrate the necessary level of attainment to be awarded with a qualification, both under direct supervision (forming guided learning hours) and without supervision (all other time). TQT and GLH values are advisory and assigned to a qualification as guidance.

Supervising bar operations pathway restrictions for learners aged 16 and 17:

Please note, the unit contained within the bar operations pathway of this qualification requires learners to serve and supervise the service of alcoholic beverages. Centres must ensure learners below the age of 18 **do not** select this pathway as part of their qualification. It is illegal for learners below the age of 18 to serve alcohol to customers. Please see Appendix 1 for the full qualification structure and the alternative pathways available.

Guidance on assessment

This qualification is assessed through completion of a portfolio of evidence, which will be internally quality assured by the centre. EQS (external quality support) visits from Highfield will also take place until direct claim status is achieved. A portfolio of evidence gives centres flexibility in how individual assessment criteria are assessed. Additional guidance is included at the bottom of each unit suggesting how assessment criteria can be assessed. Suggested paperwork is available from the Highfield Qualifications website in the assessment pack. If a centre would like to use alternative paperwork, this must be sent to the Quality Support team for approval before commencement of the course.

All assessment criteria in learners' selected units must be met for learners to achieve the qualification. Following the assessment, a list of results will be provided to the centre contacts stating whether learners have passed or failed. Certificates for those who are successful will be dispatched for distribution by the centre contacts.

Centres must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.

Guidance on quality assurance

Highfield Qualifications requires centres to have in place a robust mechanism for internal quality assurance. Internal quality assurance must be completed by an appropriately qualified person and that person must not have been involved in any aspect of the delivery or assessment of the course they are quality assuring.

Highfield Qualifications will support centres by conducting ongoing engagements to ensure and verify the effective and efficient delivery of the qualification.

Recognition of prior learning (RPL)

Centres may apply to use recognition of prior learning or prior achievement to reduce the amount of time spent in preparing a learner for assessment. For further information on how centres can apply to use RPL as described above, please refer to the Recognition of Prior Learning (RPL) Policy in the members' area of Highfield Qualifications' website. This policy should be read in conjunction with this specification and all other relevant Highfield documentation.

Assessor requirements

Highfield Qualifications recommends nominated assessors for this qualification meet the following:

- have current, relevant occupational expertise and knowledge that has been gained through 'hands-on' experience in the industry and is suitable to the pathway being assessed
- hold (or be working towards) a recognised assessing qualification, which could include any of the following:
  - Highfield Level 3 Award in Assessing Competence in the Work Environment (RQF)
  - Highfield Level 3 Certificate in Assessing Vocational Achievement (RQF)
  - A1 Assess Learner Performance Using a Range of Methods
  - D32 Assess Learner Performance and D33 Assess Learner Using Different Sources of Evidence
- maintain appropriate continued professional development for the subject area

Internal quality assurance (IQA) requirements

Highfield Qualifications recommends nominated IQAs for this qualification meet the following:

- have current, relevant occupational expertise and knowledge that has been gained through 'hands-on' experience in the industry and is suitable to the pathway being quality assured
- hold (or be working towards) a recognised internal quality assurance qualification, which could include any of the following:
  - Highfield Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice (RQF)
  - Highfield Level 4 Certificate in Leading the Internal Quality Assurance of Assessment Processes and Practice (RQF)
  - D34 or V1 verifier awards
- maintain appropriate continued professional development for the subject area

Countersigning strategy

While it is a minimum requirement for centres to have the appropriately qualified workforce in place, it is understood that centres may have new personnel who are working towards those requirements. During this period, centres are required to have a robust countersigning strategy in place that supports and validates unqualified assessment/quality assurance decisions, until the point where they meet the requirements as detailed above.

Reasonable adjustments and special considerations

Highfield Qualifications has measures in place for learners who require additional support. Please refer to Highfield Qualifications' Reasonable Adjustments Policy for further information/guidance.

ID requirements

It is the responsibility of the centre to have systems in place to ensure that the person taking an assessment is indeed the person they are claiming to be. All centres are therefore required to ensure that each learner's identification is checked before they undertake the assessment. Highfield Qualifications recommends the following as proof of a learner's identity:

- a valid passport (any nationality)
- a signed UK photocard driving licence
- a valid warrant card issued by HM forces or the police
- another photographic ID card, e.g. employee ID card, student ID card, travel card etc.

If a learner is unable to produce any of the forms of photographic identification listed above, a centre may accept another form of identification containing a signature, for example, a credit card. Identification by a third-party representative, such as a line manager, human resources manager or invigilator, will also be accepted.

For more information on learner ID requirements, please refer to Highfield Qualifications' Core Manual.

Progression opportunities

On successful completion of this qualification, learners may wish to continue their development by undertaking one of the following qualifications:

- Highfield Level 4 Award in Health and Safety in the Workplace (RQF)
- Highfield Level 4 Award in Managing Food Safety in Catering (RQF)
